

'M513', inspired by the Scripture in Matthew 5:13, was the theme of last year's DiscoveryLand Discipleship Camp, a camp for Primary 3 to 5 children. God did a powerful work, touching and convicting the children to live their lives as salt and light of the world.

I was touched by God's presence. The camp was great because of the powerful worship sessions!

Raphael Yee, Primary 6

I enjoyed the camp because we did exciting things at the zoo and learnt about the animals!

Amanda Kwek, Primary 6

I enjoyed tracting because it is fun and more people get to know about God. I also like the worship as it was a great opportunity for me to be with God. It was really enjoyable. The games also taught me about teamwork!

Shermaine Lim, Primary 5

I learnt that we are the salt and the light of the world. I definitely want to attend the DiscoveryLand Discipleship Camp again next year!

Alecia Leong, *Primary 4*
