Star Letter

I am always thankful to the committed pastors and teachers of our Children's Ministry for making a positive impact in the life of my children. As I read the article 'Meet the Children Pastors!', **I was touched and encouraged by the various pastors who shared their most memorable moment in the ministry.** Being a mother of three, my deepest desire is for my kids to have a strong personal relationship with the Lord. I am sure that my children have learned a lot in DiscoveryLand and will continue to be in the good hands and guidance of the caring and committed pastors and teachers!

The article 'Be an Altar Dweller' in the last issue of the magazine by Rev. Les Bowling has indeed blessed me. Over the past months, I have been reminded of the verse "Seek first the Kingdom of God." **Rev. Les's article just reinforced**

and gave me the assurance to do just that. It also reminded me that when we are 'Altar Dwellers', God will protect us!

This magazine has also allowed me to stay in touch with not only what Trinity does within the four walls of the Church but with what it has been doing with the community at large. God Bless!

The magazine has improved tremendously! The testimonies tell us that God provides, and we must have the faith to believe Him. The articles are also very encouraging, especially the

one on the man who saw Jesus (Real Life Miracle 'I Saw Jesus!', Issue 2/2009). **I found the article very uplifting and encouraging.** The way it was written is very good! It tells us that God is a prayer-answering God!
